

# SIZING CHART

BASED ON YOUR BODY MEASUREMENTS

TO SELECT THE BEST SIZE FOR YOU,  
PLEASE FOLLOW THESE SIMPLE STEPS

- MOST IMPORTANT MEASUREMENT:**  
Take your Chest/Bust measurement from just under your arm at the fullest part of the chest
- Take your Sleeve length from the back base of the neck across the shoulder and around the elbow to your wrist
- Take your Waist measurement at the narrowest point around your natural waistline.
- Take your Hip measurement at the fullest part of your body below the waist

## WHEN MEASUREMENTS FALL BETWEEN TWO SIZES

The size selection should be based on fit preference: Select lower size for a closer to body fit or the larger size for a more relaxed fit. When in doubt, we strongly recommend ordering a size sample.

MEN

WOMEN

# TABLEAU DES TAILLES

BASÉ SUR LES MESURES DE VOTRE CORPS

VEUILLEZ SUIVRE CES ÉTAPES SIMPLES  
POUR SÉLECTIONNER LA TAILLE  
DE VÊTEMENT QUI VOUS CONVIENT

- LA MESURE LA PLUS IMPORTANTE :**  
Prendre la mesure de votre poitrine/buste au-dessous des bras, autour de la partie la plus forte de votre poitrine.
- Mesurez la longueur des manches à partir de la nuque, le long de l'épaule, du coude, et jusqu'au poignet.
- Prenez la mesure de vos hanches au point le plus fort de votre corps, sous la taille.
- Prenez la mesure de vos hanches au point le plus fort de votre corps, sous la taille.

## LORSQUE LA MESURE EST ENTRE DEUX TAILLES

La sélection de la taille du vêtement doit être fondée sur votre préférence d'ajustement. Sélectionnez la taille inférieure si vous favorisez un ajustement plus près du corps, ou la taille supérieure pour un ajustement plus décontracté. En cas de doute, nous vous recommandons fortement de commander un échantillon.
